- LAST Camp Meeting Tuesday, August 15·7:00 – 8:30 pm **MANDATORY**

Abracadabra NYC

KK Flash Sale Night Wed, July 19th, 7-9 PM

Our friends at Abracadabra (19 W 21 St) are holding a special closed door sale EXCLUSIVE to Costume Kult-ers (yes, I've already added it to the goal).

Enjoy light snacks, beverages, and 30% OFF EVERYTHING IN STORE + special access to clearance items not currently on the floor. That's right, we are TAKING OVER the store for 2 hours on a shopping spree!

Burning Man Tickets

Ticket Update

- Shayan is our Ticketmaster →

shadeeshayan@gmail.com - add this email to your contact list.

- Do not panic if the ticket holder does not answer right away.
- Update your ticket needs in your confirmed camper profile
- We are prioritizing available ticket exchanges for those campers that meet the following criteria:
 - Paid at least half of their dues
 - Project Leads
 - Key Contributors

Everyone else will be paired with a ticket seller/holder based on their camper profile confirmation entry and involvement. and will enter a queue. In other words, you just have to be patient and wait your turn :)

NYC -> BRC Container Service

Important Dates

Container Sale	Container Load In	Container Arriving to Playa	Container Load Out
Tomorrow 06/30	Sunday, August 6th	Monday, August 21st 	Sunday, September 21st?? 

<https://kostumekult.com/container-23>

Key Information

- Space is for KK campers ONLY!
- No to refunds, yes to transfers.
- Sold on a first-come-first-served basis
- Once container is sold out, we can't help you! Buy your space NOW!
- Help for international KKers (KKare program)
- Container day is fun!

Anastasia Smolina

KKBM23 Sustainability Lead

Sustainability at Burning Man

No Matter Out of Place.

*Handle waste
ecologically.
(2–4 years)*

Be Regenerative.

*Create a net positive
ecological and environmental
impact.
(5–8 years)*

Be Carbon Negative.

*Remove more carbon from the
environment than we put into it.
(8+ years)*

July 21st, 2023

sustainability efforts!*

Sustainability at KK

***Have new ideas?
Want to help?
Slack @Anastasia S***

ENERGY

- Tall, reflective shade structures
- Communal nap/rest areas with swamp coolers
- LED lighting
- Energy efficient class D sound system amplifiers

TRANSPORTATION

- Organized transportation: e.g., burner buses, shipping container
- Bikes for rent

WASTE

- Costume recycling
- Reusable structures & materials
- Recycling & composting at the Playa

WATER

- Solar-powered metered shower water
- Water filling station

Exploring: BLAST Environmental Sustainability Accreditation for the camp

WHAT CAN YOU DO?

PRE-PLANNING

Transportation

1. Take the Burner Bus
2. If you drive, make sure the tires on your car/RV are properly inflated
3. If you are flying, take flights without layovers
4. Rideshare/stuff share
5. Ship stuff in container if you can (instead of flying with it)
6. Rent storage in Reno, NV (if you're planning to come back)

Waste

1. Bring less stuff than you think you need (esp. if it's your first time)
2. Buy outfits from thrift stores (instead of new items)
3. Remove packaging from things you bring to the playa
4. Buy drinks in aluminum cans (not plastic or glass)
5. Avoid plastics or MOOPY outfits
6. Wash & reuse your burn stuff after playa

Food/Water

1. Bring less food than you think
2. Shop locally
3. Reduce or avoid meat consumption
4. Bring your reusable water bottle
5. Fill up reusable jugs with tap water instead of single use bottle

Energy

1. Energy efficient cooling
2. Rechargeable batteries

ON THE PLAYA

1. Turn off your lights, cooling/fans and other devices when not in use
2. Conserve water
3. Sort your waste properly – recycle & compost
4. De-moop regularly
5. Share ice
6. Share your ideas!

Full document to be shared soon

Tips for being green before, during, and after Burning Man!

Reduce Waste

1. Remove packaging from things you bring to the playa.

For example, if you buy granola bars, remove the cardboard box before you come. Remove cellophane type plastic, small wire ties, stickers that come on vegetables and fruits before you get to the playa!

2. Avoid using plastic bags for fruits and veggies at the grocery store.

It's just going to be more waste to take home. Put your food in reusable bags. [Plan ahead.](#)

3. Buy drinks in aluminum cans (not plastic or glass).

Aluminum cans are the only thing that can be recycled into the same quality. They smooch down easily once used and are lighter than glass (saves on weight for transportation and, therefore gas usage), plus aluminum can be recycled on the Playa! Plastics are around for >400 years, and the heat can cause harmful chemicals to leak into your beverages and then get into your body.

4. Buy outfits from thrift stores (instead of new items).

It's more fun to score unique things from thrift stores. Support local businesses that are good for the community and help extend useful life for these things.

5. Know before you go!

Learn more about your camp's and pods waste management – recycling, composting, etc. Take the time to sort your waste, think about where you will dispose of it after playa.

6. Avoid plastics! Please *no more glowsticks* and other unnecessary wasteful plastic items.

Think before you buy. Scientists predict that Plastic production will increase by 40% in

Transportation Logistics

A dark, atmospheric photograph of a festival at night. In the center, a tall, illuminated tower with a glowing blue and white logo on its upper section stands against a twilight sky. Below the tower, a sign reads "No Costume Vault!" in a stylized, glowing font. Several people are riding bicycles in the foreground, their silhouettes dark against the dimly lit scene. The background shows silhouettes of mountains under a dark sky. The overall mood is mysterious and vibrant.

YES - KK Provides

- Free Shuttle for early arrival (Build Week)
 - Monday, August 22nd (morning only)
 - Wednesday, August 24th (morning only)
- KK Burner Express from GSR in Reno/From Camp to GSR

Team Updates

An aerial night view of a large festival or concert venue. The ground is covered with hundreds of small, colorful light installations in shades of blue, purple, red, and yellow. A large, circular stage area is visible in the center, surrounded by a dense crowd of people. The sky is dark, and there are some distant lights and structures visible in the background.

Akkulturation

We have limited spots left in
Kamp...but we still have space.

Connect with Maria or Joanne if inviting/sponsoring new friends to camp.

Akkulturation Homework for Kamp

Read everything in the KK 2023 Resources Notion page.

KK 2023 Resources Guide

Kamp Basics

- ▶ What is our camp's official placement address?
- ▶ Does KK provide water for campers?
- ▶ Does KK provide food for campers?
- ▶ Does KK provide porta-potties for campers?
- ▶ Does KK provide power for campers?
- ▶ Does KK provide showers for campers?
- ▶ I'm tent camping, what do I need to know?

Pods

- ▶ What is a pod?
- ▶ What are the pods this year?
- ▶ What does a pod provide?
- ▶ Tell me about Pods and the power grid
- ▶ MOOP in pods

Power Grid

- ▶ What extension cord do I need?
- ▶ How much power am I allowed to use?
